

A

Model fits for A(H1N1) vaccinating strains

Model-predicted HAI fold-rise (GTR)
at bleed date

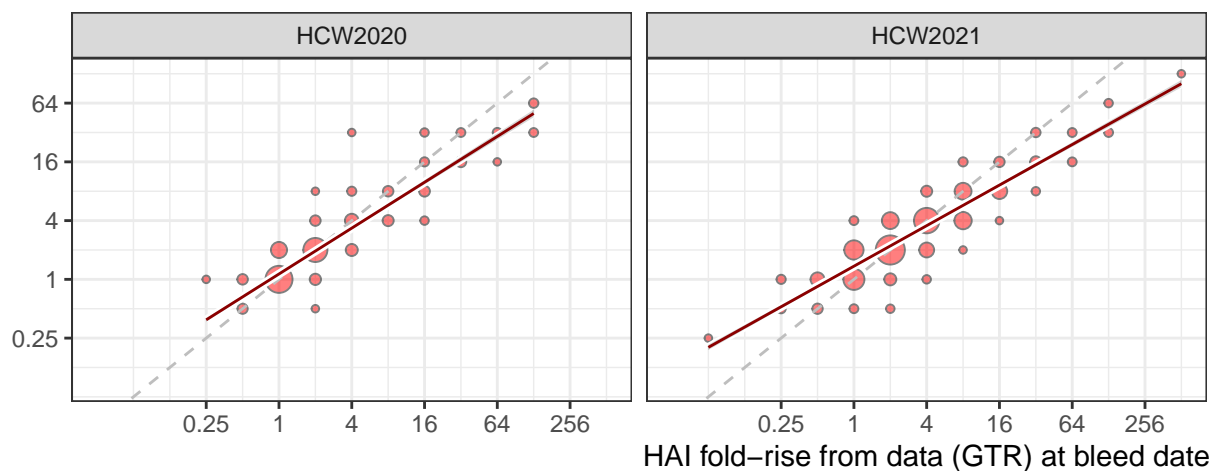

B

Model fits for A(H3N2) vaccinating strains

Model-predicted HAI fold-rise (GTR)
at bleed date

C

Model fits for A(H1N1) cell-grown strains

Model-predicted HAI fold-rise (GTR)
at bleed date

D

Model fits for A(H3N2) cell-grown strains

Model-predicted HAI fold-rise (GTR)
at bleed date
